Oxford University Press Inc, United States, 1997. Paperback. Condition: New. Revised edition. Language: English. Brand new Book. In offices across America, the Masters of Gobbledygook are hard at work. They're bombarding in-boxes with those long, confusing memos that colleagues don't have the patience to read-and bosses don't have the time to rewrite. He then illustrates them with examples drawn from a wide array of sources, including business documents, technical manuals, trade publications like *Consumer Reports*, and the works of writers such as Russell Baker and John D. MacDonald. From the basics to the fine tuning, he offers practical advice on clarity and precision, organization, layout, and a host of other important writing topics. A delightful, down-to-earth guide, *The Plain English Approach to Business Writing* is for...
